

Accommodation Service

HotelRes are working with The MathWorks to provide delegates attending their conference at the Heritage Motor Centre on the 29th and 30th April a dedicated accommodation booking service. HotelRes have negotiated special group rates and held blocks of rooms at local hotels to ensure that delegates accommodation needs are met. The HotelRes service is free of charge. Delegates just need to contact HotelRes by phone or email with their requirements and they will be allocated a room from the blocks.
